Location

The Interalpen-Hotel Tyrol has an exclusive setting in the fascinating Tirolean Alps with views of the Karwendel, Wetterstein and Hohe Munde peaks, at an altitude of 1,300 m, just 13 km from Seefeld.

Meeting Facilities

With a meeting area of 1,000 m² and a ballroom with nearly 600 m² we can accommodate conferences, events and incentives for up to 400 people. Our scenic location amidst pristine nature is your guarantee for an attractive outdoor programme. Events will be organised in cooperation with professional destination management specialists.

History

The hotel is owned by the Liebherr family. Dr. Hans Liebherr commissioned the building project in April 1981 and the hotel opened after four years of construction in June 1985.
