Current Covid-19 Regulation

Due to the decreasing number of cases, there are currently no legal Covid-19 regulations for the Interpalpen-Hotel Tyrol. Nevertheless, we ask you to observe the recommendations below.

Please inform yourself prior to your arrival about possible border crossing regulations as well as current entry and exit regulations. You can find more information [here](#).

Our measures for carefree and pleasant holidays

Unique location and expansiveness of the entire hotel complex

Special action plan for suspected Covid-19 cases

Training of certified prevention and hygiene concepts

Disinfection dispensers throughout the entire hotel complex

Regular disinfection of all surfaces

Regular ventilation of all rooms

Recommendations for our guests

Keep a sufficient distance from strangers.

Refrain from shaking hands during greetings.

Wear an FFP2 mask in all public areas of the hotel.

Wash and disinfect hands several times a day.

Sneeze or cough into the crook of your arm or into a handkerchief.

Interalpen-Spa

You can relax and enjoy our spacious in- and outdoor spa areas, the Interalpen-activities and our treatment offers without further hindrances.

Our advice for an enjoyable Interalpen-Spa time:

- ❖ We ask you to arrive at the spa in your bathrobe to avoid crowding in the changing area.
- ❖ To ensure our hygiene standards, loungers and sun chairs may only be used by guests using towels.
- ❖ Please book your spa treatment appointments on the telephone or with the [Interalpen-app](#).

Thank you for your support and trust!
