## In the glow of time

*When snow lies soft on every track,  
and every home shines warmly back,  
when children's eyes with starlight gleam,  
the world slows down as in a dream.*

*A scent of biscuits, mild and warm,  
drifts through the night in gentle form.*

*A carol rings – both old and new,  
and peace lies in its cadence too.*

*You feel what time begins to show:  
a glow that breaks through shadow's flow.  
No gold, no glare, no hurried pace –  
just love that fills the heart's own space.*

*So let us guard this gentle light,  
in little deeds and years so bright.  
For Christmas lives where kindness dwells,  
within the heart, where softly it wells.*
